To get a printed copy of the provider directory, simply click the print button at the top of the page or contact the Customer Care Center at 866-939-3633. Should you elect to request a printed copy or use a printed subset of the directory, keep in mind that the printed directory is only accurate as of the date printed and limited by the search filters. The online provider locator is the most current and complete provider directory.

Not all providers participate in every plan or offer all services and discounts on non-covered services and may not be available through all providers, or in all states. If you are not yet enrolled in an EyeMed plan, please keep in mind your actual network may vary from what appears on our locator. If you are an EyeMed member, you can [log-in \(/memberweblogin/member/en\)](/memberweblogin/member/en) to access the exact list of available providers based on your specific plan and network. Even if a provider is displayed, we recommend you call ahead to confirm the provider accepts your EyeMed plan. In the event you selected "I Don't Know", the search results are based on Advantage network.

You can also utilize your benefits online at [www.lenscrafters.com \(https://www.lenscrafters.com/\)](https://www.lenscrafters.com/), [www.targetoptical.com \(https://www.targetoptical.com/\)](https://www.targetoptical.com/), [www.contactsdirect.com \(https://www.contactsdirect.com/\)](https://www.contactsdirect.com/), [www.glasses.com \(https://www.glasses.com/\)](https://www.glasses.com/) and [www.ray-ban.com \(https://www.ray-ban.com/\)](https://www.ray-ban.com/). To locate laser vision correction providers, please call 1.877.5LASER6 or visit [www.eyemedlasik.com \(https://www.eyemedlasik.com?utm\\_source=eyemed&utm\\_medium=viewyourbenefitcta&utm\\_campaign=member\)](https://www.eyemedlasik.com?utm_source=eyemed&utm_medium=viewyourbenefitcta&utm_campaign=member).

For people with disabilities, we offer free aids and services, such as sign language interpreters, large print, audio, and accessible electronic formats. For people whose primary language is not English, we offer language assistance services through interpreters and other written languages.

Need an interpreter? Call 1.888.249.5194 at no additional cost.

Access TTY Services by dialing 711. To obtain the provider directory in an alternate format, please call 1.866.9.EYEMED.

You are entitled to full and equal access to covered services, including enrollees with disabilities as required under the Americans with Disabilities Act of 1990 and Section 504 of the Rehabilitation Act of 1973. We do not consider your race, disability, religion, sex, sexual orientation, health, ethnicity, creed, age or national origin when giving you access to care. Network providers are legally required to do the same.

Any provider included in this directory is listed for outpatient services. In addition, the directory includes information regarding whether the provider is currently accepting new patients. You do not need a referral to receive vision care services.

You may have the right to obtain in-network benefits from an out-of-network provider if: (i) you cannot schedule a visit within two-weeks due to provider's appointment availability, (ii) you are unable to locate a participating provider within a 10-mile radius in an urban-suburban area, or (iii) you are unable to locate a participating provider within a 20-mile radius in a rural area. Contact the EyeMed Customer Care Center at 866.939.3633 or visit [eyemed.com](http://eyemed.com) for an out-of-network claim form.

### **About our network**

Important information for Provider Locator users who live in [Texas](http://www.eyesiteonwellness.com/wp-content/uploads/2018/09/Tx_adequacy.pdf).  
([http://www.eyesiteonwellness.com/wp-content/uploads/2018/09/Tx\\_adequacy.pdf](http://www.eyesiteonwellness.com/wp-content/uploads/2018/09/Tx_adequacy.pdf)).

### **How we build our vision networks**

Our network of eye doctors includes thousands of independent providers, popular retailers and online options so you can see who you want to see, where and when you want to see them. We build our networks based on how many providers there are in a specific area and the provider's ability to meet network participation standards. We reimburse providers a contractual fee for each service they provide. This way we can ensure that we have enough providers available to meet your routine vision care needs.

### **How we choose providers**

We created the vision network based on numerous market variables. We chose providers for this network based on the following criteria:

- access and availability
- meets our credentialing standards
- provider ability to meet network participation criteria
- cost efficiency
- state board sanctions
- loss of license
- office of personnel management/office of inspector general reports
- state and federal program exclusion lists
- Medicare opt out

### **Quality assurance procedures**

All providers must complete credentialing before joining our network. We require re-credentialing every three years. Between credentialing cycles, we monitor the following as part of the ongoing quality review:

Providers in the below states may not accept all additional plan discounts.

AL, AR, CO, CT, KS, MD, ME, MO, NJ, NC, OH, OR, PA, RI, TX, UT, VT, VA, VW

### **Network maintenance**

Our network providers are the source of the provider information in this directory and responsible for information accuracy, such as hours of operation, languages spoken, acceptance of new patients and the types of frames/products are provided directly by providers and are not independently confirmed by EyeMed. Updates received from our network providers are typically added to the EyeMed Provider Locator once per day, including weekends and holidays. Exclusions include interruptions due to system maintenance, upgrades or unplanned outages. This information is subject to change at any time. Network administration services are provided through EyeMed Vision Care, LLC 4000 Luxottica Place Cincinnati, OH 45040.
