To get a printed copy of the provider directory, simply click the print button at the top of the page or contact the Customer Care Center at 1.866.939.3633 (or your group-specific phone number on your ID card). Should you elect to request a printed copy or use a printed subset of the directory, keep in mind that the printed directory is only accurate as of the date printed and limited by the search filters. The online provider locator is the most current and complete provider directory.

Not all providers participate in every plan or offer all services, and discounts on non-covered services may not be available through all providers, or in all states. If you are not yet enrolled in an EyeMed plan, please keep in mind your actual network may vary from what appears on our locator. If you are an EyeMed member, you can [log-in](#) to access the exact list of available providers based on your specific plan and network. Even if a provider is displayed, we recommend you call ahead to confirm the provider accepts your EyeMed plan. In the event you selected "I Don't Know" in the Network drop-down, the search results are based on Advantage network.

You also can utilize your material benefits to purchase eyewear from participating providers who have established a website online. Currently, the following in-network, online PLUS Providers may offer additional savings on frames and lenses for qualifying plans: [www.lenscrafters.com](http://www.lenscrafters.com), [www.targetoptical.com](http://www.targetoptical.com), [www.glasses.com](http://www.glasses.com) and [www.ray-ban.com](http://www.ray-ban.com). Exams are not offered online by these specific providers. Exams may be offered by the online PLUS Providers listed above at certain retail locations.

All providers may offer additional discounts. Call your eye doctor to verify coverage and savings, or log-in to confirm your specific plan details, as not all members have access to enhanced benefits at PLUS Providers. PLUS providers are not available with all plans, nor in all states. To find a PLUS provider, look for the PLUS Provider icon in the full search results, or you may view a sampling of the closest PLUS providers in the right hand sidebar.

Special offers are not funded benefits and are directly provided by participating providers.

Laser Correction: To locate laser vision correction providers, please call 1-877-5LASER6 or visit [www.eyemedlasik.com](http://www.eyemedlasik.com).

For people with disabilities, we offer free aids and services, such as sign language interpreters, large print, audio, and accessible electronic formats. For people whose primary language is not English, we offer language assistance services through interpreters and other written languages.

Need an interpreter? Call 1.888.249.5194 at no additional cost. Have a hearing impairment? Access TTY Services by dialing 711. To obtain the provider directory in an alternate format, please call 1.866.939.3633.

You are entitled to full and equal access to covered services, including enrollees with disabilities as required under the Americans with Disabilities Act of 1990 and Section 504 of the Rehabilitation Act of 1973. We do not consider your race, disability, religion, sex, sexual orientation, health, ethnicity, creed, age or national origin when giving you access to care. Network providers are legally required to do the same.

Any provider included in this directory is listed for outpatient services. In addition, the directory includes information regarding whether the provider is currently accepting new patients. You do not need a referral to receive vision care services.

You may have the right to obtain in-network benefits from an out-of-network provider if: (i) you cannot schedule a visit within two-weeks due to provider's appointment availability, (ii) you are unable to locate a participating provider within a 10-mile radius in an urban-suburban area, or (iii) you are unable to locate a participating provider within a 20-mile radius in a rural area. Contact the EyeMed Customer Care Center at 866.939.3633 or visit [eyemed.com](http://eyemed.com) for an out-of-network claim form.

## **ABOUT OUR NETWORK**

Important information for Provider Locator users who live in [Texas](#).

### **How we build our vision networks**

Our vision network includes thousands of independent providers, popular retailers and online options so you can see who you want to see, where and when you want to see them. We build our networks based on how many providers there are in a specific area and the provider's ability to meet network participation standards. We reimburse providers a contractual fee for each service they provide. This way we can ensure that we have enough providers available to meet your routine vision care needs.

## How we choose providers

We created the vision network based on numerous market variables. We chose providers for this network based on the following criteria:

- access and availability
- meet our credentialing standards
- provider ability to meet network participation criteria
- cost efficiency

## Criteria for PLUS providers

All in-network doctors are required to meet our credentialing standards. The PLUS Provider mark is not a designation of care quality and is not an endorsement for specific providers. The PLUS Provider mark identifies participating providers who applied for and were accepted to participate as PLUS Providers, who agreed to provide optimal value for vision care services by the acceptance of the Eye360 fee schedule, and met the following vision care standards: online scheduling capabilities, digital technology availability, and a semi-annual update of the online practice profile.

## Quality assurance procedures

All providers must complete credentialing before joining our network. We require re-credentialing every three years. Between credentialing cycles, we monitor the following as part of the ongoing quality review:

- state board sanctions
- loss of license
- office of personnel management/office of inspector general reports
- state and federal program exclusion lists
- Medicare opt out

Providers in the below states may not accept all additional plan discounts.

AL, AR, AZ, CO, CT, GA, KS, MD, ME, MO, NJ, NC, OH, OR, PA, RI, TX, UT, VT, VA, VW

## Telemedicine Services

Our network may include telemedicine services, which means the provider may not be on-site. For telemedicine appointments, you will be in-person but the provider may be virtual. Your provider will give you all the details prior to your telemedicine appointment and you will also be given the option to reschedule if you prefer an in-person experience.

## Network maintenance

Our network providers are the source of the provider information in this directory and responsible for information accuracy, such as hours of operation, languages spoken, acceptance of new patients and the types of frames/products are provided directly by providers. Updates received from our network providers are typically added to the EyeMed Provider Locator once per day, including weekends and holidays, and verified quarterly by EyeMed. Exclusions include interruptions due to system maintenance, upgrades or unplanned outages. This information is subject to change at any time. Network administration services are provided through EyeMed Vision Care, LLC 4000 Luxottica Place Cincinnati, OH 45040.

Report directory inaccuracies in the provider locator by emailing [directorydata@eyemedonline.com](mailto:directorydata@eyemedonline.com) or calling 1.866.939.3633. If you believe that you relied upon materially inaccurate, incomplete or misleading directory

information please submit your complaint by calling 1.866.939.3633.

Insured benefits are underwritten by Fidelity Security Life Insurance Company®.
