

Altus Dental

## Your Dentist Search Results

Here is the list of dentists you created from your Dentist Search results.

Be sure to confirm that the dentist you decide to see (and the location you select, if the dentist has more than one office) participates with Altus Dental.

Remember: It may cost you more to see a dentist that does not participate in our network.

If you decide that none of these dentists are right for you, you can search again and create a new list.
